

CONFERENCE PROGRAM

SEMINAR

Monday, May 29, 2017

9:00am–5:45pm						Power Electronics for Photovoltaics and Battery Systems
---------------	--	--	--	--	--	---

Tuesday, May 30, 2017

9:00am–10:00am	Intersolar & ees Europe Conference Opening					Power Electronics for Photovoltaics and Battery Systems
10:15am–11:15am	Global PV Markets: Europe – A Stable Outlook?	PV Reliability & Assessment of Technical Risks in PV Investments	PV Cells: Which Cell Concepts will secure the Future?	Smart Renewable Energy: Virtual Power Plants	Off-Grid: Business Models for Dissemination of Solar Systems	
Coffee Break						
11:45am–1:15pm	Global PV Markets: The Americas – The Future is Solar	PV Reliability & Assessment of Technical Risks in PV Investments	PV Manufacturing: What Development is needed to meet COP21-Targets?	Smart Renewable Energy: Renewable Energy Hybrid Plants	Off-Grid: Storage Systems	
Lunch Break						
2:30pm–4:00pm	Global PV Markets: Emerging Asian Markets – New Horizons	Addressing the Bankability and Investability of Solar	PV Power Plants: Forecasting Technologies	Smart Renewable Energy: Industrial Micro/Mini-Grid Concepts & Technologies	Off-Grid: Innovative Systems and Finance	
Coffee Break						
4:30pm–6:00pm	Global PV Markets: Emerging African Markets – The Awakening Giant	Innovations @Intersolar Europe	PV Power Plants: Operation & Maintenance Business	Smart Renewable Energy: 100% Renewable Energy Regions & Smart Cities	Off-Grid: Productive Use	
6:00pm–9:30pm	Conference Barbecue					

Wednesday, May 31, 2017

9:00am–10:30am	PV Financing: Investment Opportunities in the Global Secondary PV Market	PV Power Plants: The Versatility and Impact of Drones & Robots				
Coffee Break						
11:00am–12:30pm	Solar Financing Trends in North America	Floating PV Power Plants: Concepts, Technologies & Case Studies		Smart Renewable Energy: Buildings & Energy Management		
Lunch Break						
2:00pm–3:30pm	Green Bonds and Crowdfunding – The Financial Future?	Balance of Systems: Unlimited Versatility of PV Power Plants		Smart Renewable Energy: Prosumers & Energy Sharing		
Coffee Break						
4:00pm–5:30pm	Global Financing Trends: Solar Merchant PV Power Plants, The Role of Rating Agencies & Insurances?	Balance of Systems: Inverters – The Pacemaker of PV Power Plants		Smart Renewable Energy: Digitalization, Energy Clouds & Big Data		

SIDE-EVENT PROGRAM

Participation at these programs is not included in the regular conference tickets. Please purchase a side-event ticket.

Thursday, June 1, 2017

9:00am–11:00am	PV/Energy Storage Market Brief Asia	Recent Developments & Opportunities in the Brazilian PV Market and Matchmaking	Intersolar Study Program (for Students only)	Scaling Solar PV and Battery Storage	DNICast – Presenting the Nearly Final FP7 Project Results	World Small Wind Conference (WSWC)
11:30am–1:30pm	The Secret Success Factors for Renewable Energy Projects in Iran					
2:00pm	How can Companies Profit from MENA's Solar Market Momentum?	Mexico – Solar Market Opportunities	Indo-German Dialogue on PV-Rooftop Development in India	Workshop Solare Mieterstromangebote		

Subject to change

CONFERENCE TICKETS

Each ticket includes the three day exhibition pass.

Conference Tickets	Early Bird (March 6–April 30)	Regular (May 1–28)	On-Site (May 29–June 1)
Full Conference ¹	780€	920€	1,105€
Full Conference incl. Barbecue ²	850€	1,000€	1,200€
Day Ticket Tuesday ³	530€	620€	745€
Day Ticket Tuesday incl. Barbecue ⁴	605€	705€	840€
Day Ticket Wednesday ⁵	380€	450€	540€
Off-Grid Package ⁶	330€	390€	470€
Conference Barbecue	75€	85€	95€
Side-Event MENA or Iran	150€	150€	150€
Workshop Solare Mieterstromangebote	150€	150€	150€
Power Electronics for Photovoltaics Seminar	1,050€	1,050€	1,050€
World Small Wind Conference (WSWC)	350€	350€	350€

¹ Includes the regular Intersolar & ees Europe sessions. Side-Events, Conference Barbecue and Seminar are not included. ² Includes the regular Intersolar & ees Europe sessions and the Conference Barbecue. Side-Events and Seminar are not included. ³ Includes the regular Intersolar & ees Europe sessions from Tuesday. Side-Events, Conference Barbecue and Seminar are not included. ⁴ Includes the regular Intersolar & ees Europe sessions from Tuesday and the Conference Barbecue. Side-Events and Seminar are not included. ⁵ Includes the regular Intersolar & ees Europe sessions from Wednesday. Side-Events and Seminar are not included. ⁶ Includes the Conference Opening and the Off-Grid sessions from Tuesday. Side-Events and Seminar are not included.
