

NETWORK WITH 17,000 PROFESSIONALS AND LISTEN TO 150+ SPEAKERS

EIGHT REASONS TO JOIN INTERSOLAR INDIA 2018

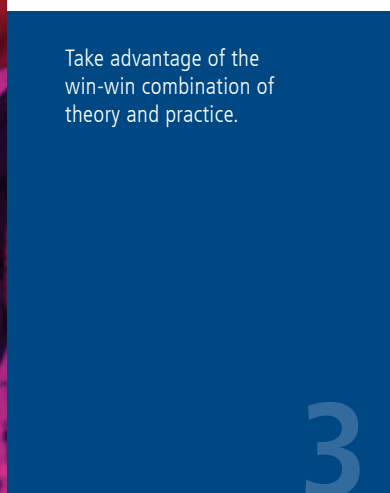

Intersolar India provides an excellent opportunity to meet with customers and peers, discuss ideas and socialize with new business partners.

1

Intersolar India provides an excellent forum for receiving insights on market shaping policies, learning about innovations and an opportunity for engaging with global PV specialists.

2

Take advantage of the win-win combination of theory and practice.

3

Intersolar India Conference benefits from the quality of speakers and audience.

4

DEAR DELEGATES,

Year 2018 marks the 10th Anniversary of Intersolar India and it is a matter of pride that the event has been a part of the India's phenomenal rise in the solar world: From being clubbed among the "ROW" Rest of the World to the 3rd largest global market.

Year 2018 marks the 10th Anniversary of Intersolar India and it is a matter of pride that the event has been a part of the India's phenomenal rise in the solar world: From being clubbed among the "ROW" Rest of the World to the 3rd largest global market.

you would be interested to hear the experts and thought leaders share their insights and ideas on these wide ranging topics. You would also have ample opportunities to network with them and fellow delegates and gather information all of which would help you grow your business.

In the third quarter of 2018, the installed capacity touched 25 GW mark, well past the original Solar Mission target of 20 GW. To achieve the raised 100 GW target by 2022, government has spelt out the annual installation targets: 17 GW in 2018 and 30 GW each in 2019 and 2020. Government owned National Thermal Power Corporation (NTPC) and Solar Energy Corporation of India (SECI) are creating large project pipelines to keep up the time line. To promote indigenous manufacturing, capital subsidies and mandating GW size project developers to build manufacturing facilities, are planned. Over the last year, interest in

Grid connectivity, curtailment, PPA enforcement, permits, etc. are issues that continue to dampen investor confidence. Conscious of the challenges, the Government, CERC and others are engaging with all stakeholders to resolve these complex issues.

Do not miss the opportunity. Register early and reap the immense benefits of participating.

It is with great pleasure I invite you to the Intersolar India Conference.

Dr. Florian Wessendorf
Managing Director
Solar Promotion International GmbH

CONFERENCE QUICK FACTS

Dates December 11-13, 2018
Hours 10:30am-8:00pm | Tuesday
10:00am-6:30pm | Wednesday
10:00am-6:30pm | Thursday
Venue Bangalore International Exhibition Centre
10th Mile, Tumkur Road
Madavara Post, Dasanapura Hobli
Bangalore, 562 123, India

GET THE BEST OF THE WEST – SAVE THE DATE FOR:
Intersolar India in Mumbai, April 4-5, 2019

I MEET AND MINGLE WITH OUR EXPERTS!

Atul Arya
Head, Energy System
Division Panasonic, India

Raghu Belur
Co-Founder,
Vice President of Products
and Strategic Initiatives
Enphase, India

Dr. Ashok Das
Founder & CEO,
SunMoksha Power Pvt. Ltd.,
India

Sethuraman Ganesan
Technology Manager,
Power Grids Division
ABB India Limited, India

Andrew Hines
Co-founder,
CleanMax Solar, India

R.K. Jain
Addl. General Manager (Solar),
Solar Energy Corporation,
India

Dr. Anuvrat Joshi
India Business Development
Director, Cleantech Solar
Energy Pvt. Ltd., India

Dr. Milind Kulkarni
CEO-RE Technologies,
Suzlon, India

Paulo Shao
Special Advisor for Asian
Market, Solarisfloat, Lda.,
India

Listen to high-quality presentations from world-renowned speakers at the Intersolar India Conference.

5

Intersolar India is supported by associations, non-profit organizations, governmental institutions, and endorsed by relevant trade magazines worldwide.

6

Intersolar India and its special exhibitions ees India and Power2Drive India are an optimal platform to learn about the challenges and opportunities of the Indian solar, electrical energy storage and electric mobility market.

7

Intersolar India is part of the world's leading exhibition series for the solar industry, and its organizers have more than 27 years of experience.

CONFERENCE SESSIONS		WORKSHOPS & SIDE EVENTS			INNOVATION STAGE		
GULMOHAR		CASSIA	HYBISCUS	PARIJATHA	BOOTH #2064		
TUESDAY, DECEMBER 11, 2018							
10:30am–11:30am	Opening Ceremony & Welcome Notes	11:30am–5:30pm Solar PV Intensive Technical Course	Solar PV Intensive Technical Course	11:30am–1:00pm	Intersolar Study Program (Free of Charge)	11:30am–1:30pm	Smart Renewable Energy: ees – Technological Advancements
11:30am–1:00pm	India's Mid-Term Solar PV Demand Outlook			2:00pm–3:30pm	International Solar Alliance (ISA) Event	2:00pm–3:00pm	Emerging Skills in kW to GW Band
2:00pm–3:30pm	India's National Storage Mission – Outlook & Prospects – What to Expect!			3:30pm–4:15pm	Interactive talk by Swiss and Indian Experts on Solar Rooftop Solutions and Building Energy Efficiency (Free of Charge)	3:30pm–5:00pm	Skill Council for Green Jobs – Award Ceremony
4:00pm–5:30pm	EXECUTIVE PANEL: India's Renewable Energy Future – The Integration of Renewable Energies			4:15pm–5:30pm	Workshop: Best Practices in Battery Manufacturing and Advanced Solutions for Industry 4.0 (Free of Charge)		
5:30pm–8:00pm	10 th Anniversary Networking Event						

GULMOHAR	JACARANDA	CASSIA	HYBISCUS	PARIJATHA	BOOTH #2064		
WEDNESDAY, DECEMBER 12, 2018							
10:30am–12:00pm	Residential Solar PV – Self-Consumption + Storage (System Design & Practical Field Experience)	10:00am–5:00pm IESA Workshop on Solar + Energy Storage	10:30am–5:30pm Solar PV Intensive Technical Course	10:30am–2:30pm	Workshop on Quality Assurance and Standardization of Solar Technologies: India's Current Status and Prospects (NISE) (Free of Charge)	10:30am–12:00pm	Trends and Challenges for PV Production in the Extremely Fast Growing Market
1:00pm–2:30pm	C&I Solar Rooftop Business-Prospects, Issues and Profitability			12:00pm–1:30pm	India and International Investors and EPC Companies for their 1000 MW		
3:30pm–4:30pm	The Looming Grid Curtailment – Are on-grid Mini/Micro-Grids the Answer in the Long-run?			1:30pm–3:00pm	Smart Renewable Energy: The Emergence of EVs – The Next Wave		
5:00pm–6:30pm	Solar-Wind Hybrid with Storage – Way to Manage the Grid and Optimally Utilize the Infrastructure			3:00pm–5:00pm	Exhibitor Presentations		

GULMOHAR		JACARANDA	CASSIA	HYBISCUS	PARIJATHA	BOOTH #2064
THURSDAY, DECEMBER 13, 2018						
10:00am–12:45pm			10:00am–12:45pm	ARE Off-grid Workshop	10:15am–5:00pm	Workshop: De-risking International Investments in Indian Solar Energy Sector (TERI)
1:30pm–4:30pm			1:30pm–4:30pm	1 st India Africa Youth Energy Symposium (IAYES) (Free of Charge)	10:00am–5:00pm	Exhibitor Presentations

Program is subject to change, please find the latest information at → www.intersolar.in → Program → Program Overview

PRICING

CONFERENCE TICKETS ¹	Early Bird Date Set up–Nov 16, 2018	Online Shop Nov 17–Dec 10, 2018	On Site Shop Dec 11–13, 2018
Full Conference Package	₹ 16,000	₹ 17,000	₹ 18,000
Conference Ticket Tuesday	₹ 9,000	₹ 10,000	₹ 11,000
Conference Ticket Wednesday	₹ 9,000	₹ 10,000	₹ 11,000
India Energy Storage Alliance (IESA): Workshop on Solar+Storage	₹ 12,000	₹ 12,000	₹ 12,000
Solar PV Intensive Technical Training Course Tuesday	₹ 5,000	₹ 5,000	₹ 5,000
Solar PV Intensive Technical Training Course Wednesday	₹ 5,000	₹ 5,000	₹ 5,000
Solar PV Intensive Technical Training Course 2-Day	₹ 9,000	₹ 9,000	₹ 9,000
De-risking International Investments in Indian Solar Energy Sector	₹ 2,000	₹ 2,000	₹ 2,000
10 th Year Anniversary Networking Event	₹ 2,500	₹ 2,500	₹ 2,500
ARE Off-grid Workshop including Reception	₹ 1,000	₹ 1,000	₹ 1,000

¹ Each ticket includes the Indian Service Tax and the Three Day Exhibition Pass.

10TH ANNIVERSARY NETWORKING EVENT

Each Conference Ticket enables access to the 10th Anniversary Networking event on the first exhibition day. Join us to celebrate 10 powerful years of Intersolar India with drinks, fingerfood and a great atmosphere.
