

APPLICATION Please be sure to fill in the first three pages of the application. Page 3 requires a digital signature. Please complete in full in block letters. Mark all that apply.

1 Exhibiting Company Information

a) Exhibitor

Company _____

Address _____

Country _____ City/State/Zip Code _____

Tel. (general) _____ Fax (general) _____

Website _____ Email (general) _____

A. Managing Director Mr. Ms. First Name _____ Last Name _____

Email _____

B. Marketing Director Mr. Ms. First Name _____ Last Name _____

Email _____

C. PR Director Mr. Ms. First Name _____ Last Name _____

Email _____

VAT.ID (European Companies Only) _____

Note: The company listed is the contracting party for Intersolar North America. The exhibitor data listed above will be used for the official exhibitor listing.

Have you exhibited at Intersolar in the past?
 If yes, in which exhibition did you participate? Intersolar Europe Intersolar North America Intersolar South America Intersolar India Intersolar Middle East
 If not, how did you find out about Intersolar? Contacted by the Organizer Intersolar Representation Office Intersolar Website/Newsletter Recommendation Trade Publications
 Are you a SEMI member? Yes No SEMI Member Number _____
 Are you a CALSEIA member? Yes No CALSEIA Member Number _____

b) Contact Person/Correspondence Address same as 1) **A.** **B.** **C.**

Company _____

Address _____

Country _____ City/State/Zip Code _____

Tel. _____ Fax _____

Website _____

Contact Person Mr. Ms. First Name _____ Last Name _____

Email _____ Job Title _____

Direct Tel. _____ Direct Fax _____

Important note: The company applying to exhibit authorizes the above-mentioned contact person to issue and receive all statements for Intersolar North America (e.g. booth assignment, exhibitor newsletters, invoice handling, exhibitor information mailings, online booking access, staff registration access and advertising materials). This contact information may be forwarded to our official vendors only. It will in **no way** be sold or rented to other third parties at any time.

The company applying to exhibit is responsible for informing the Intersolar North America organizers about any changes of the contact person in written form. The organizers are not liable for any mistakes occurring by missing or delayed information of the contracting party. **Most of the correspondence concerning Intersolar North America will go to the email address of this contact.**

c) Invoice Address same as 1a)

Company _____

Address _____

Country _____ City/State/Zip Code _____

Tel. _____ Fax _____

Website _____ Email _____

Invoice for the attention of Mr. Ms. First Name _____ Last Name _____

VAT.ID (European Companies Only) _____

Note: Should this section need to be filled out, the contracting party for Intersolar North America will remain the company listed in section 1a. The company applying to exhibit will be liable for all outstanding payments. Changing the invoice address later is only possible on written request to the organizers and before invoicing. **An administration fee of \$150 per change and per invoice will be charged for changes to the invoice address after invoicing has taken place.**

Internal Use Only

Booth Number: _____ Booth Type: _____ Hall: _____ Date: _____
 Comments: _____ Acquired by: _____

APPLICATION FOR EXHIBIT SPACE

2 We will exhibit products and services from the following product groups (please mark all that apply):

For publication in the Event Directory up to three categories are included. Additional categories will be charged at \$50 each.

PV Cells and Modules

- Cells
- Modules
- Thin Film

PV Applications

- Building Integrated Solutions (BIPV)
- Stand Alone Systems
- Power Plants (Commercial & Utility-Scale)
- EPC Contracting/Project Development
- Consumer Products
- Maintenance, Repair and Operations of Solar Power Systems

PV Balance of Systems (BOS)

- Inverters
- Monitoring, Measurement and Control Technologies
- Energy Management

Smart Renewable Energy

- Electricity Trading & Marketing
- Information & Communications Technology, Software
- Smart Grid
- Smart Home/Smart Buildings
- Virtual Power Plants/Combined Power Plants

Energy Storage

- Batteries, Battery Packs
- Battery Management Systems
- Charging Technology and Devices
- Flow Batteries
- Fuel Cells
- Manufacturing Equipment, Materials and Components
- Other Energy Storage Systems (please specify under point 3)

PV Components

(Cables, Connectors, Junction Boxes etc.)

Mounting Systems, Installation Aids

PV Tracking Systems

PV Manufacturing Equipment, Materials and Components

- Integration and Automation
- Inspection and Metrology
- PV Materials and Components

Manufacturing Equipment for

- Ingots, Wafers, Feedstock-Polysilicon, UMG, etc.
- Cell Processing, Module Assembly, Thin Film

ST Solar Heating & Cooling Technologies/Applications

- Collectors, Pool Absorbers
- Building Integrated Solutions (Facades, etc.)
- Process Heat
- Air Conditioning, Cooling
- Solar Thermal Power Plants
- Manufacturing Machinery and Equipment

Others

- Engineering and Design
- Consulting Services
- Research and Development
- Testing Institutes
- Trade Publications, Publishers
- Education, Training
- Financing, Promotion
- Organizations, Associations
- Software
- Other Renewables (Wind, Hydro, Biomass, etc.)

Others (please specify under point 3)

PV = Photovoltaics
ST = Solar Heating and Cooling Technologies

3 Products, Planned Exhibits and Company Type

This information is solely for internal use by the organizers and is a mandatory requirement for placement of your booth. It will not be published:

The organizers are entitled to assign all rights and obligations arising out of the present application to any third party nominated by the organizers.
Please read the following pages for stipulations concerning Intersolar North America.

SPECIAL REQUEST FORM

Please complete to inform the organizers of your space preferences and specifications.

Exhibitor Name

Contact

a) Special Requests & Preferences

Please list any special requests in the space below. Be as specific as possible in explaining your needs (e.g. uncommon booth configuration, expansion of space, corner location, etc.). Up-to-date floor plans are available at www.intersolar.us in September 2016; click on → www.intersolar.us → For Exhibitors → Participation → Booth Reservation

Location Preference Expansion of Space Uncommon Booth

While every effort will be made to honor requests, we cannot guarantee the exact booth space requested will be accommodated. Please note: Corner locations are only available in 10' x 20' booth sizes or larger.

b) Booth/Equipment Requirements

Two-Story Booth

Please indicate if you plan to build a two-story booth. This will help us determine which halls best suit your needs. The fire marshal regulates the number of two-story booths permitted at Intersolar North America. Once all requests have been received, they will go to the fire marshal. Permission for a two-story booth will be granted based on availability and location. Two-story booth requests will not be considered from companies with inline configurations. If granted permission, booth plans with an engineering certificate must be submitted for approval. The fire marshal may charge a fee to review your booth plans in which the exhibitor will be responsible for paying. In addition, exhibitors must hire own security for fire watch.

A premium of 50% of the booth area built over is charged in the case of two-story booth construction.

Services Required

Please check those services that are required for your booth. Failure to notify the organizers of a utility requirement could affect the availability of these services on-site.

Weight of Equipment

If any one piece of equipment exceeds 100 lbs/sq. ft., please check "YES" and list the approximate weight per square foot. Each hall has different floor load capacities. This will help us to determine which location best suits your needs.

Size of Equipment

If any one piece of crated equipment exceeds either 6' 6" high or 4' 6" wide, please check "YES" and list the approximate size. Each hall has different freight entrance sizes. This will help us to determine which location best suits your needs.

a) Two-Story Booth

- Yes
 No

c) Weight of Heaviest Piece of Equipment

- Does your equipment exceed 100 lbs/sq. ft.
 Yes If Yes, approx. weight: _____ /sq. ft.
 No

b) Services Required (check all that apply)

- Water/Drain
 Compressed Air (____CFM ____PSI)

d) Weight of Heaviest Piece of Equipment (crated)

- Does your freight (crated) exceed 6' 6" high or 4' 6" wide?
 Yes If Yes, approx. size: _____ high x _____ wide
 No

STIPULATIONS/TERMS AND CONDITIONS

Booth Space Assignment and Payment

A binding contract between the applying company (Exhibitor) and the Organizers (as defined in Section 7 on page 3) shall only come into existence upon the acceptance of the application by the Organizers. Exhibitors will be notified of the acceptance of said contract by Organizers within two weeks of receipt of contract.

Payment requirements for exhibitors that participated at the Onsite Booth Selection 2016: A 20% deposit is due with this application. This Application is a binding contract and acts as your official invoice for the required deposit. No booth will be assigned without appropriate deposit. Final payment is due March 3, 2017.

General payment requirements for exhibitors: This Application is a binding contract. You will receive the invoice in January, 2017. Intersolar accepts a binding payment by Bank Transfer or by check. All checks must be issued in USD, use the daily exchange rate for your conversion. Applications from companies with delinquent balances due to any Intersolar event will not be processed without payment of the outstanding balance. **If your booth fee account is delinquent, Intersolar reserves the right to release the space for re-assignment.** Applications will not be considered by companies who have an outstanding balance due to the Organizers. Should the requested space be previously assigned or the floor layout change, the Organizers will endeavor to provide suitable alternate space. The Exhibitor's ultimate placement by the Organizers must be considered final. The Organizers reserve the right to relocate an Exhibitor at any time, for any reason, for the overall good of the exhibition. The Organizers are not obligated to reimburse the Exhibitor for any costs stemming from relocation.

General Rules

The Exhibitor agrees that the rules and regulations of Intersolar North America are made a part of this contract and agrees to be bound by them. The Exhibitor further agrees that the Organizers have the full power to interpret and enforce all rules and regulations in the best interest of Intersolar North America. The signer of the application for booth space or his designee shall be the official representative of the Exhibitor and shall have the authority to certify representatives and act on behalf of the Exhibitor in all negotiations.

Qualifying to Exhibit

Exhibitors of Intersolar North America must fall into at least one category listed in section 2 on page 2 of the application.

The Organizers reserve the right to determine the eligibility of any company, product or display.

Use of Space

The Exhibitor may not assign, sublet or re-sell, in whole or in part, the contracted space. The contracted Exhibitor may share this space with an affiliated company (Co-Exhibitor) providing Co-Exhibitors comply with all exhibitor conditions and rules and regulations; however, the contracting Exhibitor shall continue to be primarily liable for all financial and performance covenants. The Main Exhibitor must have the prominent identification in its entire contracted booth space. Contracted space must appear as one unified booth. All booths must be staffed during exhibition hours.

Cancellation or Change of Booth

Should the Organizers be unable to hold the exhibition for any cause beyond its reasonable control, or if the Organizers are unable to permit the Exhibitor to occupy its space due to causes beyond the Organizers reasonable control, the Organizers have the right to cancel the booth with no further liability than a refund of the booth space rental less a proportionate share of the exhibition expenses incurred by the Organizers. The Organizers shall in no event be liable for incidental or consequential damages to the Exhibitor arising from or relating to such cancellation. Should the Exhibitor's display and/or materials fail to arrive, the Exhibitor is nevertheless responsible for the rental of its booth space.

Liability

The Organizers will not be liable for damages or injury to persons or property from any cause whatsoever by reason of occupancy of booth space by the Exhibitor, its employees or representatives. Further, the Exhibitor indemnifies, and holds harmless, the Organizers and each of their officers, directors, employees, and agents from all liabilities that might result from any cause whatsoever with respect to the exhibition including, without limitation, theft or other loss from the booth. The Exhibitor agrees to pay promptly for any and all damage to the exhibition venue or its equipment, incurred through carelessness or otherwise, caused by the Exhibitor, its employees, agents, or representatives. The Organizers will provide general security at all times, but the Organizers shall in no event be liable for any loss or damages whatsoever due to any lack or failure of such security. The Exhibitor assumes full responsibility for any loss of equipment and/or display material, resulting from theft, or any other cause whatsoever.

Compliance with Rules

The Exhibitor assumes all responsibility for compliance with pertinent ordinances, regulations, and codes of duly authorized local, state, and federal government bodies concerning fire, safety, and health, together with the rules and regulations sent with the Exhibitor's booth confirmation and also contained in the Exhibitor Services Manual. All aisles and service areas must be kept clear, with boundaries set by the Fire Department and the Organizers. The services provided during Intersolar North America are under union jurisdiction; the Exhibitor must comply with rules and regulations concerning local unions. If an Exhibitor Appointed Contractor is used for the set up and dismantle of booth, the Organizers must be notified in writing within thirty days (30) prior to the set up of the booth. The Exhibitor Appointed Contractor must submit to the Organizers a valid public liability and property damage insurance policy within thirty days (30) prior to the exhibition set-up.

Withdrawal from/Cancellation of Agreement

Registration shall be binding. Withdrawal by the exhibitor shall only be possible for the reasons provided for by law. If no such reason exists, FMMI shall be entitled, but not obliged, to cancel the exhibitor's registration at the exhibitor's request. FMMI shall be entitled to make its agreement to the cancellation conditional on it being able to lease the booth to another party. In this case, FMMI shall not be entitled to booth rental from the cancelling exhibitor. If it is impossible to rent the booth to another party, FMMI shall be entitled to move another exhibitor to the unoccupied booth or to fill the booth in another way in the interest of the overall appearance. In this case, the exhibitor shall not

be entitled to any reduction in booth rental. FMMI shall also be entitled to demand lump sum compensation (a cancellation fee) from the exhibitor at its discretion. The amount of the cancellation fee depends on when FMMI receives the exhibitor's (written) notification to withdraw from its binding registration or the agreement it consequently concluded:

Time of receipt of exhibitor's notification by FMMI	Amount of the cancellation fee in % in relation to the fees and remuneration that would have been due to on performance of the agreement
Until and including December 16, 2016	10%
After December 16, 2016	25%
After February 19, 2017	50%
After April 22, 2017	100%

If the exhibitor demonstrates that FMMI has suffered no loss or only a loss which is less than the cancellation fee, it shall only be obliged to pay a correspondingly reduced compensation. The exhibitor shall bear any costs incurred as a result of its instructions contained in orders already placed. Any costs for decoration or filling the unoccupied booth shall be for the exhibitor's account. FMMI shall be entitled to withdraw from the agreement if the exhibitor infringes an obligation with regard to the rights, legal interests and interests of FMMI under this agreement and it is accordingly no longer reasonable for FMMI to adhere to the agreement. In such a case, FMMI shall be entitled not only to withdraw from the agreement, but also to demand payment of the agreed booth rental from the exhibitor as flat-rate compensation. The right of FMMI to claim further damages remains unaffected. The exhibitor can demand that the flat-rate compensation be reduced if the exhibitor proves that the loss or damage incurred by FMMI is less than this amount.

Exhibitors that cancel completely from the exhibition (regardless of liquidated damages being paid) will not have priority for space the following year. The Organizers must receive a written request to be placed on the wait list to exhibit. The Organizers reserve the right to reassign cancelled booth space, regardless of the liquidated damage company being paid. Subsequent reassignment of cancelled space does not relieve the cancelling Exhibitor of the obligation to pay the fees. All booths must be ready for the exhibition by 6:00pm on July 10, 2017. Failure to do so will be considered a cancellation, unless the Organizers have been notified and have approved otherwise.

Other Exhibitors/Co-Exhibitors

Several companies may share a booth area only if the Main Exhibitor has listed all such firms in his rental application for inclusion as Co-Exhibitors, and if they have been approved by the Organizers. Any firm, which has its own personnel and exhibits and uses the booth space rented by the Main Exhibitor, must be registered as a Co-Exhibitor. These Terms and Conditions shall also govern the approval of Co-Exhibitors. The booth space may not be used, even temporarily, by any other third party. A group participation is only effective as a group participation when the design of the booth construction will be acknowledged as one participation. The fee, charged for inclusion of Co-Exhibitors (\$250 per Co-Exhibitor), is always invoiced to the Main Exhibitor. Co-Exhibitors are also subject to these Terms and Conditions, as applicable. The Main Exhibitor shall be responsible for informing his Co-Exhibitors of these and any supplementary provisions and ensuring acceptance of any resulting obligations towards the Organizers. The Organizers reserve the right to contact Co-Exhibitors directly or via an authorized third party. If the Exhibitor fails to register Co-Exhibitors or gives incomplete or incorrect information in his application, the Organizers shall exercise their discretion to compute and charge participation fees that would have become due if a proper application had been made. If several companies wish to rent a booth together as joint Main Exhibitors, they shall authorize a common representative in their application. In any event, each of the exhibitors shall be required to display their exhibits and employ personnel to staff the booth. Co-Exhibitors and Main Exhibitors shall be jointly liable for the participation fees and charges for any services used.

Miscellaneous/Provisions

This agreement shall be governed by the laws of the State of California. It is the responsibility of each Exhibitor to read and comply with all rules and regulations as stated in the Exhibitor Services Manual. Each Exhibitor will be fully responsible for all costs involved, should the Exhibitor violate rules or regulations that require appropriate recourse by the Organizers.

List of Exhibitors (Print/Online)

An official catalog/Event Directory is printed for the exhibition. All exhibitors are included in the alphabetical list of exhibitors with the designation stated in the application form. The information provided under "product groups" (section 2) will be shown in the Event Directory. The compulsory entry into the Event Directory includes up to three categories; any additional categories will be charged at \$50 each. The exhibitor online listing (Online Exhibitor List) is compulsory and free of charge. The exhibitors will be offered further possibilities of entry and advertising for the exhibitor listing (print/online) which can be booked at → www.intersolar.us → Exhibitor Cockpit

Insurance

Exhibitor, at its sole cost and expense, will insure its and its Co-Exhibitor's (if any) activities and equipment used in connection with the event and will obtain, keep in force, and maintain the following insurance: Commercial Form General Liability Insurance (contractual liability included) and errors and omissions in each case in the amount of \$1,000,000. If the above insurance is written on a claims-made form, it will continue for two (2) years following the Event. Such coverage and limits will not in any way limit the liability of Exhibitor.

Upon the execution of this Contract, Exhibitor will furnish FMMI with certificates of insurance evidencing compliance with all requirements, and Exhibitor will promptly notify FMMI of any material modification of the insurance policies. Such certificates will provide for thirty (30) days advance written notice to FMMI of any cancellation of insurance policies; indicate that FMMI has been endorsed as an additional insured under such coverage; and include a provision that the coverage will be primary and will not participate with, nor will be excess over, any valid and collectable indurance or program of self-insurance maintained by FMMI.

In addition to the requirements set forth above, Exhibitor agrees to comply with any additional or greater insurance coverage obligations set forth in the Exhibitor Services Manual applicable to Exhibitor, Co-Exhibitor or any of their agents, contractors, employees or representatives.

EXHIBIT SPACE APPLICATION GUIDELINES

The following information corresponds to each section of the application. Please refer to these guidelines when completing the application.

Section 1. Exhibitor Information

Provide contact information in order to receive all exhibitor mailings related to Intersolar North America. The Contact Person/Correspondence Address (1b) will receive all material and correspondence relating to the coordination of Intersolar North America. For separate billing arrangements please fill in section 1c) and provide your invoice address when not the same as your exhibitor address in section 1a).

- No P.O. boxes please.
- Please make sure the given email address is correct, as this is the primary means of contact.
- This information is for internal use only. You will have an opportunity to provide alternative exhibitor information for the Event Directory within the Exhibitor Cockpit launching in February.

Exhibitor Cockpit/Exhibitor Service Center

The Exhibitor Cockpit is an online feature available to all registered exhibitors starting in February. The Exhibitor Cockpit is a password-protected area. Your personal access code will be automatically sent out to the main contact person (according to the information in section 1b) in February. Companies applying for booth space after this date will receive log-in information within two days of application approval by the organizers. To log-in, click on the Exhibitor Service navigation tab on www.intersolar.us. You are able to:

- Create and edit your Event Directory entry (online and print) and that of your co-exhibitors.
- Select and manage your product groups so visitors can easily find your company information through the search function.
- Create and edit product descriptions (pictures, documents, links, etc.) to be displayed online.
- Add additional team members as recipients of the Update Newsletter.
- Directly apply for a presentation slot at the Innovation and Application Stage.
- Apply for the Intersolar AWARD.
- Post available jobs that will be displayed online.
- Upload one complimentary press release for distribution across a U.S. national newswire and at www.intersolar.us.
- Send e-invitations to your customers with a complimentary registration code by using Intersolar's customer invite tool.
- Check & edit your Intersolar Membership Program status and services.
- Order VIP passes for your customers.

Section 2. Product Groups

Indicate the product groups and technology segments that will be presented by the exhibitor at Intersolar North America.

Section 3. Products, Planned Exhibits and Company Type

Indicate the products and exhibits that will be presented at your booth at Intersolar North America.

Section 4. Configuration Preference

Indicate the size of the booth you would like, as well as the desired location. The organizers will do their best to accommodate your configuration requests; however **the organizers cannot guarantee the requested location**. If the organizers cannot accommodate your initial request, you will be placed onto a relocation/expansion wait list. Use the booth chart provided on the next page to help determine your booth dimensions and configurations. Booth space prices can be found on the next page.

Note: One booth space unit at Intersolar North America equals 10x10 feet. Intersolar North America has a mandatory 9" clearance on the back wall of all configurations for utilities as determined by the fire marshal.

Section 5. Exhibitor Services Manual/Booth Construction

By the beginning of April 2017 exhibitors will have access to booth construction services of the **Freeman OnLine®** portal at www.myfreemanonline.com or click the link → www.intersolar.us → For Exhibitors → Exhibitor Manual Freeman services include all technical services for your exhibition booth, cost-effective exhibit solutions, furniture rentals and booth amenities, electricity connections and other utilities, etc.

For further information on your booth construction and cost-effective exhibit solutions (Inline Pipe & Drape Package, Hardwall Package) please contact Freeman directly at intersolar@freemanco.com, Tel.: +1 866 205 4991. Freeman will assist you in your preparations through a versatile range of services and information that is key to the smooth and efficient coordination of your exhibition participation.

Freeman Services: Tel.: +1 866 205 4991
Portal: <http://www.myfreemanonline.com>
Email: intersolar@freemanco.com

Section 6. Booth Space Fees/Payment Terms

Booth space is sold by Intersolar North America in 10' x 10' increments. Booth space is the rental of floor space only and **does not** include any utilities, services, walls or furnishing. Exhibitors requesting booth space will need to order their utilities, services and furnishings and carpet separately, from the Exhibitor Services Manual/Freeman OnLine Portal beginning April 2017 (see Freeman OnLine Portal).

Every booth space of 100 sq. ft. includes: 10 exhibit staff passes, web listing with link to your website, free listing in the printed Event Directory and visitor passes with free registration codes for your customers only.

Participants of the Intersolar Membership Program who exhibited in at least one additional Intersolar exhibition (Europe, South America, Middle East, India) within the past 12 months of application submission as well as Intersolar North America 2016 exhibitors and SEMI, or CALSEIA members qualify for the member rate. Please be aware: a retroactive discount is not possible.

Use the table provided on page 6 to help calculate your total booth space fee. One single booth unit is 10'x10'.

Booth space fees must be paid in full within 14 days after receiving the invoice (within 9 days after April 9, 2017). The space fee will be invoiced one time, in full. Applications received after May 31 will be determined within two weeks.

Section 7. Signature

By signing this application, you agree to abide by exhibition rules and regulations as defined in the Exhibitor Services Manual, memos issued prior to the exhibition, and terms printed on the "Stipulations/Terms and Conditions" page. Applications received without a signature will not be accepted.

Please email or fax your application to the appropriate location:

exhibitorservice@intersolar.us
Fax: +1 603 925 0312 (U.S.)
+49 7231 58598-28 (Non-U.S.)

Special Request Form

- a) List your preferred booth location as well as any request you may have.
- b) Specify your booth/equipment requirements

Two-Story Booth: Please indicate if you plan to build a two-story booth. This will help us determine which location best suits your needs. Two-story booths can only be considered for block, peninsula and island configurations and will not be considered from Exhibitors with inline configurations.

Please note: The fire marshal regulates the number of two-story booths permitted at Intersolar North America. For more information see the Special Request Form.

Services Required: Please check those services that are required for your exhibit. Failure to notify the organizers of a utility requirement could affect the availability of these services on-site.

Weight of Equipment: If any one piece of equipment exceeds 100 lbs/square foot, please check "Yes" and list the approximate weight per square foot. The halls have different floor load capacities. This will help us to determine which location best suits your needs.

Size of Equipment: If any one piece of crated equipment exceeds either 6' 6" high or 4' 6" wide, please check "YES" and list the approximate size. The halls have different freight entrance sizes. This will help us to determine which location best suits your needs.

EXHIBIT SPACE APPLICATION GUIDELINES

Section 8. Booth Space Calculator

Dimension [feet]	Area [sq. ft.]	Area [sq. m]	Number of Booths	Booth Space Fee Member Rate	Booth Space Fee Non-member Rate
10 x 10	100	9.29	1	\$3,400	\$4,400
10 x 20	200	18.58	2	\$6,800	\$8,800
10 x 30	300	27.87	3	\$10,200	\$13,200
10 x 40	400	37.16	4	\$13,600	\$17,600
20 x 20	400	37.16	4	\$13,600	\$17,600
10 x 50	500	46.45	5	\$17,000	\$22,000
20 x 30	600	55.74	6	\$20,400	\$26,400
20 x 40	800	74.32	8	\$27,200	\$35,200
30 x 30	900	83.61	9	\$30,600	\$39,600
20 x 50	1,000	92.90	10	\$34,000	\$44,000

Booths larger than 1,000 sq. ft. are available. Please contact our sales team to accommodate your request. If you intend to exhibit in multiple segments please specify your configuration needs for all exhibits.

Make any special requests (e.g. specific location, technology segment) on the Special Request Form (page 3). See definitions of configurations below. Note: corner booths are only reserved for 10' x 20' sized booths or larger.

Definitions of Configurations

Up-to-date floor plans are available at
→ www.intersolar.us → For Exhibitors → Participation → Reservation

- **Inline (linear):**
One or more standard (10' x 10') booth units in a straight line.
Note: corner booths are only reserved for 10' x 20' sized booths or larger.
- **Corner Booth (minimum 2 booths):**
A minimum size for 10' x 20'. A corner booth has 2 sides open to the aisle.
- **Peninsula (minimum 4 booths):**
A minimum depth of 20' and a back wall area of 20'.
A peninsula has 3 sides open to the aisle.
- **Island (minimum 8 booths):**
A minimum size of 20' x 40'. An island has all 4 sides open to the aisle.
