

CONFERENCE SESSIONS

InterContinental Hotel, Level 3 & 4

Monday, July 7, 2014

9:00am–10:30am	Global PV Markets: EU & Middle East	SEMI PV Advanced Manufacturing Forum	Energy Storage: Market Prospects & Policies	The Solar Asset Symposium IV	
Coffee Break					
11:00am–12:30pm	Global PV Markets: Asia	SEMI PV Advanced Manufacturing Forum	Energy Storage: Innovative Technologies	The Solar Asset Symposium IV	
Lunch Break					
1:30pm–3:00pm	Global PV Markets: South & Central America	SEMI PV Advanced Manufacturing Forum	Energy Storage: Applications & System Solutions	The Solar Asset Symposium IV	New Opportunities for Solar Heating & Cooling
Coffee Break					
3:30pm–5:00pm	Global PV Markets: North America Panel Discussion	SEMI PV Advanced Manufacturing Forum	Energy Storage: Panel Discussion	The Solar Asset Symposium IV	FORUM – The Great SHC Installation Debate
5:30pm–7:00pm	Official Opening Ceremony				
7:00pm	Welcome Reception (Pacific Terrace)				

WORKSHOPS

InterContinental Hotel, Level 3 & 4

Power Electronics for Photovoltaics	Considerations for Commercial PV and Solar Farms (NABCEP CE: 6)
-------------------------------------	---

The National Solar Conference 2014 (organized by ASES) takes place in co-location with Intersolar North America.

InterContinental Hotel, Level 5

Monday 9:00am–5:00pm
Tuesday 9:00am–6:00pm
Wednesday 9:00am–1:00pm

View program:
→ <http://solar2014.org/program>

<http://solar2014.org>

Tuesday, July 8, 2014

9:00am–10:45am	Crystalline Silicon PV	Balance of Systems	Storing the Sun: How Storage Technologies Will Shape California's Grid		
Coffee Break					
11:15am–1:00pm	Thin Film PV	Balance of Systems: Grid Integration	Breakthroughs in Financing: California's Latest Efforts to Bring Solar Home		
Lunch Break					
2:00pm–3:45pm	CPV: Market & Technologies	Plug and Play Systems for Residential Rooftops	PV Financing		SHC Policy and Applications
Coffee Break					
4:15pm–6:00pm	Novel PV Cell Concepts	Building Integrated Solutions & Commercial Rooftops	PV Power Plants		CSP Unchained: Industrial Processes & Utility Hybrids
5:00pm–10:00pm	Solar Summerfest (Metreon Rooftop)				

Performance Modeling (NABCEP CE: 3.5)	
Advanced Battery-based PV System Design & Maintenance (NABCEP CE: 3.5)	

Wednesday, July 9, 2014

9:00am–10:45am	Solar/Diesel Power Supply	The Future of PV	Quality/Bankability		CSP Technology & Applications
Coffee Break					
11:15am–1:00pm	Off-Grid: Market & Technologies	PV Executive Panel	21 st Century Permitting: Today's Effort to Modernize Permitting and Slash Soft Costs		SHC Innovations and Research
Lunch Break					
2:00pm–3:45pm	Growth Stage Forum/Cleantech/Crosscut	Green Cities – Paths Towards Sustainable Energy Systems	2015 and Beyond: The Next Frontier in California Solar Policy Making		
Coffee Break					
4:15pm–6:00pm		Green and Solar Cities Mayor Panel			

Operations and Maintenance (NABCEP CE: 3.5)	
---	--

Subject to change ■ Full Conference Package ■ Photovoltaics Package ■ Solar Heating & Cooling Package ■ Energy Storage Package

■ Full Day Workshop ■ Half Day Workshop

PRICING

Conference Packages ¹	Early bird May 11– June 7	Regular June 8– July 4	On-site July 5– July 11
Intersolar Full Conference Package	\$825	\$935	\$965
Photovoltaic Package	\$795	\$885	\$905
Energy Storage Package	\$495	\$575	\$595
Solar Heating & Cooling Package	\$425	\$495	\$515
Conference Day Tickets ¹			
Monday	\$475	\$550	\$575
Tuesday	\$475	\$550	\$575
Wednesday	\$475	\$550	\$575

Intersolar attendees with a valid badge (Full Package / Day Ticket) can visit Solar2014's concurrent conference tracks free of charge. More information online.

Workshops ¹			
Workshop Full Day	\$475	\$550	\$575
Workshop Half Day	\$275	\$315	\$335
Exhibition & Special Events			
Exhibition	\$50	\$100	\$150
Exhibition + Solar Summerfest	\$140	\$190	\$235
Solar Summerfest	\$95	\$105	\$125
Bus Tours	\$70	\$80	\$90

¹ Admission to expo halls & catering included.
